## BOSS 2284-2684 Fire Rated 2 Part HFO Foam Kit

A high quality, quick rise, two component, polyurethane spray foam for insulating, filling, and sealing in professional and industrial applications. It is supplied in two portable, disposable, and pressurized cylinders requiring no external power source, no extra pressure, and no pumps. The patent-pending dispensing gun is equipped with specially developed nozzles, assuring a high quality foam is produced.

- 200 boardfoot & 600 boardfoot sizes for different job sizes
- Disposable canisters that require no external power source
- High R-value that reduces heating & cooling costs
- No VOCs, non-flammable, <1 GWP, ODP of 0

- No shrinkage or expansion after curing
- Great adhesion to a variety of surfaces
- Great for acoustic insulation
- Cures in minutes
